bedroom cutie

There are days when getting out of bed is such a chore, and this is one of them. I got dressed to go to the store but decided I would best spend my day in bed. Then Alex showed up and tried to get me to go. But convinced him to stay by sucking his cock and letting him fuck me. Boys are so easy to get them to do what you want. Are you that easy, too?

My girlfriend once told me that men are really just boys that have grown up but not matured. Boy, was she right! I can't believe how many guys try to get in my pants. All they want is pussy. All they want is the conquest. All they want is to dominate. But in the end, they know we control the pussy, and to get to it they have to act like a grown up.

Help thy Neighbor

I'm a nice guy who's always willing to help someone in need. Especially if she wearing a sexy t-shirt and short shorts. I's never ask for payment, but if it was offered, I'd accept it. I know you would do ther same thing.

Fortunately for me, my college town is also a major league baseball town, Miami. I'm headed home from the ball game I just attended at Marlin's Park. The Marlins just won and that makes the drive home a lot easier. I live near Miami Beach and work at a downtown high rise as a doorman/security guard. I pulled into my driveway and noticed my neighbor's wife moving boxes around in her garage. She seemed to be struggling with some of the larger ones when I pulled over at the front of her driveway, rolled down the passenger window and leaned across the seat.

I called out. "Hi Francis. Do you need some help with those boxes? You look like you could use some."

"Oh, hi Chris If you got a few minutes, yeah, I could really use some muscle. Hank is at the office again today. Some meetings about the Keys." Hank works for the regional planning commission and ever since the recent hurricanes, has hardly ever been home on the weekends. I've seen Francis putzing around the yard and the garage, but this is the first time I've stopped to actually help her.

"Sure, Francis. Let me park the car and I'll be right over."

I pulled a few feet further down and into my driveway, not bothering to put it into the garage. She had pulled out several brown boxes and some suitcases into the first few feet of the garage. It looked like she was clearing out an area or looking for something.

"Hey, whatcha got going on? Looking for something back there?" I asked as I walked closer to the boxes.

Francis was about 28 years old but looks -- say -- 22. She has told me of many stressful times with Hank over the years, and her face seems to bear out some of that. She had naturally pretty features with a slim athletic body, long dirty blonde hair that she had under a bandana today. She was wearing an oversize t-shirt that was tied in a big knot at her hip and falling off her shoulder, revealing no bra strap.

"Chris, I'm trying to get that treadmill in the corner out so I can set it up on the back patio. I don't get up as early as my

husband to jog but I want to get some kind of exercise during the day. I was going to put it on this little dolly and try to muscle it through the house and to the patio.” she said.

“Looks like I came just in time.” I replied.

She had moved most of the boxes that were in the way. I went over and moved the last few and pulled the treadmill out a little way. I motioned to her to get the dolly and to slip it under the treadmill as I tilted it back. She moved the last couple boxes in front of the path to the interior garage door as I pushed the machine towards it. I maneuvered it to go straight through the door and she got on the other side of the door jamb and helped by lifting the front as I pushed from the back. We managed to get it through the house and out to her patio.

“This is just perfect. Thanks so much. I’ll clean it up and check it out to be sure it’s working tomorrow.” she said and detoured to the kitchen to get us a couple of beers.

I was already moving boxes back to where they were and she came over and offered me the bottle. I took it and we toasted with a dull clunk. She looked directly at me, almost making me embarrassed. I felt a little pang in my jeans as I stole a glance at her now pert nipples poking at the t-shirt. She saw me look but didn’t say anything. We put our beers down and started moving the boxes around in earnest. I would drag in the ones from the driveway and she would put them back, except for the heavier ones that she would direct me to put away. After about a half hour of strenuous output and working up a good sweat, she sat on one of the fuller boxes and patted the one next to her for me to come and sit.

“We make a good team. That went a lot faster and smoother than if I was to do it all be myself.” she said between sips

of her beer. “Thanks, Chris, can I give you a little something for your help, or at least for your time?” she asked as she put her hand on my thigh. I didn’t take that to be a forward act, just a ‘thank you’ gesture.

“It’s Saturday, Francis. I just got back from the ball game because I don’t work Saturdays, so there’s no need to pay me anything.” she laughed.

“I didn’t say I was going to pay you, I said can I *give* you something.” Francis said as she slipped her hand up to my crotch. Now that was definitely a more personal gesture. She got up and went over to the garage door closer and pushed the button. Francis turned the dim ceiling light on and walked back to where I was.

She lowered her head to mine and our lips locked. I could feel her warm tongue sliding into my mouth. As the kiss deepened, she pressed into me. The heat from her body was a catalyst to my already hard cock. She broke off the kiss, took my hand and told me to adjust a few more of the boxes. After another deep kiss, she stepped back and untied the knot in her t-shirt and lifted it up and off. I looked at her beautiful full breasts with half-dollar sized pink nipples as she undid her jeans and dropped them to the floor. She stood in front of me in her cotton panties and nodded.

Francis moved her body to me and pressed it into mine. I felt the softness and heat of her boobs against my chest. She guided me backwards until my knees gave way against the boxes. She climbed onto the boxes and pushed her groin against me, then relaxed and then pushed her groin into me again. Instinctively my hands slid down over her ass, squeezed and pulled her tight to me. I slid my hands under her panties and began squeezing and massaging her ass. As my right hand slid across

Help thy Neighbor

the crack of her ass, I had the first touch of her pussy. It was more than just a little moist. I stretched my arm letting a finger slide across pussy to her clit and stroked it.

I rolled her over carefully and backed off the boxes so I could kneel in front of her. I let my tongue slide down across her chin and neck until I had the first taste of her boobs. With her nipple loosely between my teeth, my

tongue played with it. Then I started down across her belly to her mons. When I reached her panties she was soaking wet and I teased her pussy and clit through her panties. I grabbed her panties at the waistband, lifted her ass off the box and slid her panties off her. I felt her twitch as my tongue slipped into her slit. Then I slid my right index finger into her moist pussy. I only finger-fucked her for a few seconds when her pussy opened up that I had no choice but to add my middle finger into that spot as well. With her clit between my lips, I gently sucked and licked until she arched her hips towards me.

I stood up and unbuttoned my jeans, gratefully releasing my rock hard cock, and pulled them off. I slid my arms under her legs, grabbed her ass and pulled her forward so that she was sitting on the edge of the box. With my cock in my right hand, I ran the head of my cock across her pussy letting it dip in just enough to collect some of the moisture. It was more stimulation than she could bear. "Don't tease me," she moaned. "Put it in."

I did and with each stroke she gasped and moaned. As she massaged her clit, her moans became muffled. I could see her biting her lower lip. Francis blurted out between gasps as her body started shaking again. I slid my cock all the way in and held it there while her body rattled through an orgasm. She looked a little surprised as I reached out and

rolled her over onto her knees. I had her doggie style on the box now. With cock in hand, I came up behind her and slid it back in.

At first she was on her hands and knees and there wasn't much noise out of her. But after a few minutes I could hear the shortness of breath returning. Then the soft moaning started. Finally she dropped her head down onto the box.

Her arm reached back down under her stomach to give my balls a good squeeze and pull of my scrotum skin.

As I doggie fucked her, I slid my finger into her pussy getting it nice and wet before taking it out and rubbing it over her anus. As I massaged the puckered hole, I knew from Francis's moans that she would probably enjoy having me in her ass. My thumb penetrated her butthole an inch past my fingernail while her body didn't wait trembled in another orgasm, holding my cock deep inside her as I waited for her to stop cumming.

I pulled out of her, my cock dripping with her pussy juices. I just murmured, 'mmmmm' as she dropped down in front of me and took my cock into her mouth. With her head bobbing up and down, I could hear her slurping as she sucked me deep and hard. I arched forward, aching to squirt a load of hot cum deep into her mouth. She ran her tongue up and down the shaft of my cock and finished with a little ball licking. With my cock deep in her mouth, I lurched forward grabbing her head between my hands. A month's worth of cum was spewing out of me into the back of her throat. She purposefully swallowed every drop making a soft gulping noise. She got her discarded and wiped whatever she didn't swallow -- and stood.

We made a bet with each other if this guy we liked could tell which one of us was giving him head. He agreed to try and tell, so we blindfolded and stripped him and started off straight away. He kept saying, he couldn't tell, can we do it some more. Okay, we get it. So did he!

cherie deville holly michaels

There are many different types of lady lovers, but we like a little contrast in ours. Tall - short, young - old, blonde - brunette. All those combinations are here today, and when you throw in some really hot girl-on-girl sex, then you have a great recipe for a pictorial and video.

GIRL NEXT DOOR

Valerie

Strange as it may sound, I've been getting more action since I started wearing glasses than without. I was pretty geeky in high school and had large horn-rimmed glasses. Yuck! Then when I went to college, I used contacts. Now, I use glasses again – to my advantage. Guys like them. They think I'm smarter, but my smartness cums knowing that glasses are getting me laid more often. So girls, try it for yourself, especially if you go out in groups.

Jaime Elle

I'm Jaime and I'm every guy's good fortune. I think I'm an incredibly sexy girl that just loves to fuck guys. I'm the madonna and the whore. I'm your college girl fantasy and the girl next door. And you'll see I do it all with a passion rarely matched. Problem is, as good as that sounds, my boyfriend doesn't match my libido, so I went looking for it elsewhere. Now, after a few shoots, I understand the camera's role and I want to make viewing me have sex on paper and in videos extra exciting. Hope you like. My ass does.

Megan & Jenny

Ever since we moved to Los Angeles from the Midwest three years ago, our sex lives have been the bomb. Especially since we got into this business and dumped our sad-guys-for-a-boy-friend and we can have sex anytime we want with almost anyone we want. Today, it's us together at our friend Cindy's house. She got us some cool vibes and helped us break them in. Fortunately, her friend, who was there, is a photographer and took these great shots of us. That's been a dream cum true for us and we've loved every minute of it. Like this shoot, for instance.

a vision of beauty

We had met this couple at a party and gotten on so well that we decided to invite them to visit at our house the next weekend. Rachel was quite tall, very blonde, and extremely sexy. Her red swollen lips pouted as she spoke and her long hair fell in waves down past her shoulders. Her tiny waist with her hour glass figure curved in and out at her hips. And her long sleek legs beckoned as they provocatively flashed from under her dress.

She was a vision of beauty. So much like you, my precious love, as I glanced back to you. You were taking in the handsome features of her tall well built husband Erik, as the tiny smile on your face told me that you were impressed with his well-trimmed body.

I watched as your eyes trailed down from his dark brown hair down past his face to his well built chest, stopping momentarily to take in his broad shoulders with your eyes. Further down you went taking in his thighs, resting your eyes on the large bulge that was now growing inside his pants. You looked up at me and the radiant smile that flowed over your face told me that you were quite

impressed with what you saw.

They arrived right on time and I escorted the handsome couple inside. As we talked, the conversation went well and we found out about each other; the small details that one should know before embarking on the adventure we had in mind. I discovered they

were a fun couple, and enjoyed the finer things in life and not at all shy, when it came to flirting and behaving a little naughty, when it counted. You found out when Erik was dancing close to you, and you could feel his erection pushing up against you.

Unconcerned at the goings on in front of us, Rachel watched sitting close to me on the sofa. She leaned over to me and laughingly whispered into my ear to please ignore her husband; that women have that affect on him as she pointed to his large bulge in his pants. I laughed back telling her that you also enjoyed the flirtation. Rachel and I sat and watched as you two danced slowly, your hips touching lightly at first, then closer he came and I could see your eyes close as you relished in the feelings as he moved his hips back and forth, grinding his manhood into your thighs.

I knew then that the weekend that followed would be tantalizing for all of us. We teased and toyed with each other the rest of the night, taking turns dancing and watching each other with our new partners. The mischievous smile that came over your face

as you reached down and slowly massaged his firm butt cheeks through his pants – and the way you let him hold you – pushing your firm breasts into his chest.

Rachel again sitting beside me, her arm back around my shoulder, her position on the sofa gave me an exciting view along her long sleek legs further up than I should be able to view, exposing her nylon tops and the creamy flesh that lay exposed before me. My hand came down and rested on her leg and I could feel the sudden surge of electricity as her thighs parted slightly.

Rachel turns to me and her smile warmed as she looked deeply into my eyes. I knew I could take her then and there as you would have also seduced her partner on the dance floor, but it was a game and we were playing it out, and the next weekend would prove to be the wildest and hottest. The evening ended all to suddenly as it was late and we had to part. But before we left we made plans to meet and spend the next weekend together.

They left and you came to me on the sofa. You moved closer to me, letting your hand fall to my thighs, slowly stroking my leg, your eyes

staring off into space, as I know you were thinking of Erik. I broke the silence, as your hand touched against my swollen manhood, that pressed up against my pants with a soft moan. You looked into my eyes, smiled and asked why was I hard? Not waiting for my answer, you slowly moved your hand back and forth over me making sure that I was fully erect. Then without a word, you slid down on the cushion and your hands reach my zipper, tugging at it, pulling it down.

With your warm and skillful hands

you reach inside and pulled out the hard shaft you sought. As you ran your fingers over its head, you massaged the juices that had flowed from its tip. You looked up at me and smiled telling me that this is what Rachel left me with. The glint in your eyes told me that you wanted to be mischievous again. “Yes.” I said softly, looking down at the throbbing shaft sticking out of my pants.

I told you that she was very exciting and I was looking forward to this coming weekend, as I’m sure you were. You grinned and your response was to squeeze my cock and look up at me again. You tickled my penis tip into your mouth you gently stroked it with your tongue. Licking up the ooze coming out of its head. It was very difficult to concentrate as you slowly massaged the head with your mouth and tongue.

I almost came right then and there when you moved your free hand to the bottom of your skirt and slowly pulled it up exposing your lush, smooth, creamy thighs. The tops of your stockings came into view, and as they did, you moved your legs further apart that allowed your free hand better access to your now throbbing flesh. I struggled to keep my juic-

es penned back as your tongue and lips worked the head of my swollen cock. Your knee comes up and rests against the sofa arm and you are now totally exposed to me.

The sight of your naked flesh framed there before me with your dress ridding high on your hips; the silkiness of your nylons; and the dark outline of your panties pushing up against the pouting lips of your sex. I can see the outline of your shiny pussy lips as you run your fingers back and forth, over them. You are becoming very hot as I watch you suck and lick on my cock.

Your fingers now push against the tiny band of elastic that holds them tight against your love spot, exposing your lips to the light as you touch them lightly against the wet lips. You stroke them slowly making them even wetter. Your fingers are now working slowly between the lips of your wet kitty. I watch intently as your fingers slowly sink inside you.

I watch as you pull them out, moving them close to your lips, tasting them and then placing them back down into the soft wetness between your legs. You insert them again, but this time you lift them up to me so I may

taste your sweetness. You place a finger at the opening of my lips and my tongue darts out licking at the sweet honey that flows on your fingers. Taking them into my mouth, I savor the taste. You watch me and giggle and continue to probe and touch yourself still paying attention to my now pulsating erection.

The realization hits me that I cannot hold off any longer. As I feel the swelling in my balls, I can feel the sudden rush as my seed bursts forth into your hungry mouth. Your busy lips suck and lick at me taking all of my juice.

Your free hand strokes feverishly at your wet sex bringing yourself to an explosive orgasm. Your moans grow louder as you continue to suck me. Yours legs part and then close on your pulsating love tunnel. I watch your fingers dart in and out quickly as you cry out; but it is muffled by my still ejaculating rod buried deep inside your wet pussy.

The room is filled with the sweet smell of your perfume and the smell of our heated sex. Your legs still spread wide open exposing yourself and your fluids to me. But you don't care as a matter of fact you like it. I can tell as you make no effort to cover your sweat-covered thighs and the honey liquid that flows freely from between them.

You move up closer to me, resting your head on my lap slowly stroking my half erect penis. I can tell you are thinking about the next weekend as I am too knowing that it will be the best weekend we have shared together.

We fall asleep on the sofa as sweet dreams of a life well-intended roam through our unconsciousness. Two hours later, you stir first and find my cock soft and relaxed. That is your invitation to start it all again, and my cock agrees.

Your fingers are now working slowly between the lips of your wet kitty. I watch intently as your fingers slowly sink inside you.

I don't really consider myself as horny, but I do like hot, steamy sex. At college I was considered to be a sex machine and I wore that as a badge of honor. There was one month that I must have done ten different guys. That's probably a lot by anyone's standard. I'm told I can make cocks erupt just by looking at them because I newbie animal sex. I hope you'll check out my video and all the girls you've seen in this issue.

A photograph of two women, Brooke Summers and Brooklyn Rose, sitting on a white couch. Brooke Summers, on the left, has long blonde hair and is wearing a light blue button-down shirt with a grey and black plaid tie, which is open to reveal a black sequined strapless top. Brooklyn Rose, on the right, has long dark hair and is wearing a blue and white striped button-down shirt. Both women are looking towards the camera with playful expressions. The background features a colorful abstract painting and a green plant.

How can you not like watching us lick and suck on each other. Pussy tastes great and we really know how to work our tongues. After this shoot we got together that night and stayed over. That night's sex may have been hotter than this!
